Lab – Catchup / Clustering #2
Data Mining, Spring 2016

Today's Lab: Catchup and optional exercises

Catchup Lab

- Today's lab is mostly a catch up lab
  - Finish the previous labs
  - Or work on your individual assignment due on March 18th.
- Optional exercises:
  - Implement the GSP (Generalized Sequential Patterns) algorithm
  - Implement the FSG (Frequent Subgraph) algorithm

Thanks for listening!
